Calling all Volunteers!

The world famous STC aid station for the Auburn Triathlons is in need of volunteers. Please [email Michelle Raynaud](#) if you can help on Sunday, May 22nd. It's a lot of fun, a great race and you get to cheer on your fellow STC members.

STC Jerseys & Voler Apparel

For those who couldn't make the party and are still waiting for your club jersey (new members only) or placed a custom order with Voler, we will be mailing those items out by the end of this week to the mailing address provided on your STC Membership Form. Please double check to ensure it is correct and up to date.

STC Website & Database

Many of STC's emails/evites get caught by spam filters. Please be sure to adjust your bulk email folder or spam filter settings to allow STC emails to get through so you don't miss out on the latest club news and evites.

Please also make sure you can log into our [Members Only](#) section of the website, and check that the email address you provided STC at sign-up is still valid. Just go to our home page, and click on the "Members" tab on the left or the "Member Login" on the upper right to access.

If you have difficulty logging onto the site or forgot your password, simply enter your email address and do a password reset. Or you can always contact webmaster@sactriclub.com for assistance with log in. It is important that each member keeps his/her information up to date and takes responsibility for this. We also recommend that members regularly check our website home page for the latest updates, and events. Thank you

Season Kick-off Party Recap

It was another great night at Fleet Feet for the annual Kickoff Party! STC celebrated our new logo kits from Voler and the start of our 2011 season in style with delicious food by Rebecca Reichardt and [Tazzina Bistro](#). Thanks go out to our founding sponsor, [Fleet Feet Sacramento](#), for allowing us to use their space for the party and offered a great discount of 14% off to our members in honor of their 14th Anniversary.

STC hosted another great raffle, including race vouchers, sponsor product, and STC Voler apparel. Our sponsors and affiliates generously donated many items: [Sport Connexin](#), [TBF Racing](#), [Black Butte Triathlon Series](#), [Bradventures - Auburn Triathlon](#), [USA Productions](#), and [Big Tree Endurance Events](#). Congrats go out to all our raffle winners! Special thanks to all our 2011 Board Members for their hard work putting together the party and hosting the event.

Membership News

2011 is proving to be a busy and abundant year for the Sacramento Triathlon Club. New membership is up 13% over this same time last year and returning members are already at 75%. We anticipate that once the season is in full swing our membership will be up to 200 members and growing. That is a good increase in membership and proof that our club is the place to be. Thank you for supporting the Sacramento Triathlon Club!

As the season rolls along, we are working on bringing you more group workouts that can be found in the workout section of our website. Please pay attention to the Yahoo! Group and Facebook page as many group plans originate there. By June, our plan is to launch our club sponsored (in other words, free) 'Ask A Coach' sessions with Pam Nichol and the boys from Ikon Multisport. Stay tuned for details.

for your cooperation!

As you know by now, we changed and improved our logo. New bumper stickers have been created with the logo. If you want one, contact [Scott Thompson](#), and he will set you up, the cost is \$2.00 each.

We need volunteers! At most local races, STC is out in full force. Anytime you are not racing but would like to help out at our booth, please let us know. You can coordinate through any board member.

Have a great and safe season, welcome to spring!

Sponsors Above & Beyond
